## CBMM hosts Member Appreciation Day at OysterFest on November 6

As part of OysterFest and Member Appreciation Day on Saturday, November 6, new and existing Chesapeake Bay Maritime Museum (CBMM) members will be treated to refreshments and a special market bag gift when they stop by the Museum's Small Boat Shed during the event.

"Member support is extremely important to the Museum," said CBMM Membership Director Taylor Kegan. "When people belong to the Museum, it means our floating fleet, our exhibits and programs can go on. It also means great benefits for our members."

Annual Museum memberships are available from individual (\$55) to life member (\$2,500) levels. Benefits include free general Museum admission, free or reduced admission to special events, a complimentary cruise on the replica buyboat *Mister Jim*, Museum store discounts, program discounts and docking privileges at the Museum's 18-acre waterfront campus for contributor level members and above.

Visitors who become Museum members at the November 6 OysterFest will also receive the special member gift. For more information about Member Appreciation Day or membership, contact Taylor Kegan at 410-745-4943 or visit [www.cbmm.org](http://www.cbmm.org).
