Enjoy a relaxing hour-long cruise on the Patriot, a 149-passenger cruise ship guided with an historic narration of St. Michaels and its surrounding area. Cruises run along the Miles River, where the expansive natural surroundings of the Eastern Shore can be enjoyed from our air-conditioned main deck or the open-air top deck.

Tour of the Chesapeake Bay Maritime Museum (cbmm.org)

Experience the story of the Chesapeake through our 12 exhibit buildings, working boatyard, and the world's largest collection of traditional Bay vessels. Experienced docents will provide you with a guided tour of our 18-acre waterfront campus. Explore the 125-year-old Hooper Strait Lighthouse, from which you get the best panoramic view of St. Michaels on its wrap-around deck. Tickets to the Museum are good all day, so take in as many of our sights as you wish throughout your day in town.

Book your day with us in St. Michaels at the special package rate of \$49.99 per person (minimum 30 people per group), which includes admission to the Chesapeake Bay Maritime Museum, a Patriot cruise, and lunch at the Crab Claw. (For an additional \$5 per person you can have a guided tour of the Museum.)
